TREATMENTS OFFERED

Within the practice there are a variety of treatments carried out on a daily basis to meet you and your family's needs, and they are as follows:

- Examination
- Scale / Polish
- X-Rays
- Amalgam and Composite (White) Fillings
- Extractions
- Crowns
- Bridges
- Veneers
- Root Canal Treatment
- Implant Restoration
- Sedation
- Anti-wrinklefacial rejuvenation

Fees for the above treatments can be discussed over the phone or during your consultation with the dentist looking after your treatment.

MEET THE TEAM

Within the Practice there are three dentists, the principal Louise Taggart (GLA) BDS, MJDF, and our associates, Leona McClements (QUB) BDS and Sheryl Carson (QUB) BDS. Our dentists are supported by our team of experienced and friendly dental nurses and receptionists

COMMENTS

We are positive that you will be very happy with the care provided in our practice. To ensure that our patients are happy we have a comments box and carry out patient satisfaction surveys, the results of which will be made available. If for any reason you have a comment or complaint, please do not hesitate to tell us. We have a complaints procedure available and endeavour to resolve any issues as soon as possible, at local level. There is also information to guide you on how to take your complaint further if necessary.

PAYMENT

We aim to make paying for your treatment as easy as possible. We ask that you pay for your dental treatment at each appointment. We accept the following methods of payment: Cash, Cheque, Debit or Credit Card.

REFERRALS

We may suggest referrals to a specialist for the following treatments if appropriate:

- Orthodontic treatment
- Oral Surgery
- Surgical Implant placement
- Complex treatment cases

ACCESSIBILITY

The dental practice is accessible to wheelchair users. Home visits to patients who cannot travel to the practice are available on request.

CLIENT DETAILS

Please help us keep your records and medical information up to date. Patient confidentiality is taken very seriously and all information provided to us is treated with the strictest confidence in accordance with practice policy and the Data Protection Act.

EMERGENCY TREATMENT

We endeavour to see all of our registered patients within 24 hours of a dental emergency and ideally on the day that you call us. We cannot guarantee that you will see your normal dentist but we will ensure that you are treated as soon as possible. During evenings, weekends and practice closures, we would invite our patients to contact the Belfast City Hospital relief of pain clinic. Details can be found on our out of hours practice answering machine
