

Stormont Dental Care Newsletter - Winter 2018

ONWARDS & UPWARDS!

We are excited to announce that we recently purchased the two upstairs floors, here, at 502 Upper Newtownards Road.

Our plans for expansion and modernisation are underway and we hope to complete within the year.

In the new year we will host an open day and will invite all of our patients to join us to meet our great team of staff.

You will be able to hear more about the treatments we can offer you at Stormont Dental Care.

We are also pleased to let you know that our RQIA inspection in August was very successful with no recommendations or areas for improvement.

The inspection report can be found at www.rqia.org.uk

STAFF NEWS

JANE CAPPER, who has worked with us for a number of years covering Leona's maternity leave, is now a permanent associate with us. Jane is a general dentist with a specialist interest in oral surgery. She is currently studying aesthetic implant dentistry with the Zimmer Biomet institute in Zurich. We will soon be offering implant placement here at Stormont Dental Care.

Welcome **MICHAEL CRILLY** who is working with us on Monday and Tuesday evenings. Michael has a strong interest in comprehensive restorative and cosmetic dentistry. He recently completed a 1-year certificate course in Cosmetic Dentistry and Aesthetic Restorative Dentistry and is currently completing the Northern Ireland Modular Course in Implantology.

We welcome **TAYLOR POLLOCK** and **CLARE PARSONS** as our new trainee dental nurses.

Both girls are friendly, approachable and passionate about their career. We are delighted to have them in our team.

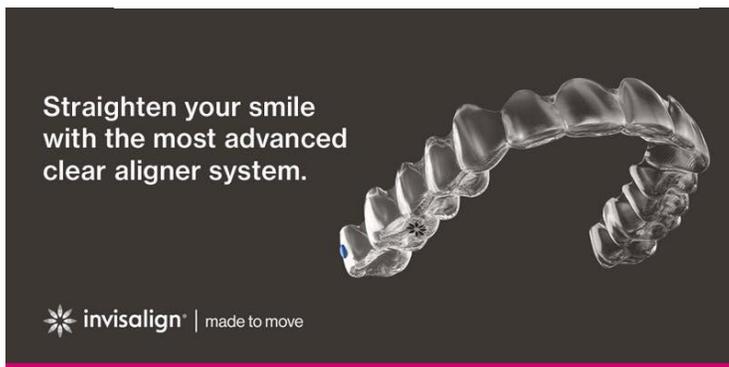

Comments from some of our great patients:

“Thank you. I hope to come back soon. The check-up was super quick!”

“The dentists and nurses at Stormont Dental Care are all brilliant with my children. They are understanding and welcoming to the whole family.”

“Thank you for helping me to get over my deep-seated fear of dental treatment.”

“Always helpful and amenable, especially in an emergency. Thank you so much.”

STAFF NEWS CONTINUED:

Congratulations to **GEMMA HODGETT** who has recently been promoted to practice manager. Gemma is a qualified experienced dental nurse who is here to listen and advise with any issues or suggestions you may have.

LOUISE TAGGART and **LUCY O’CONNOR** recently completed their **Invisalign Go** accreditation course. We are now delighted to be offering this service to our patients. Invisalign is a short term cosmetic adult orthodontic system. The results are fabulous and need to be seen! Both Lucy and Louise are wearing the Invisalign aligners and would be happy to demonstrate to any patients interested.

LOUISE completed her **Botox and Dermal Filler** training in November.

Our dental nurse **LUCY QUEE** completed a year of training to achieve her dental nursing sedation certificate in March. We are very proud of her!

Congratulations to our nurse **NICOLA DAVISON** who had her baby boy on 20th October.

LEONA McCLEMENTS, who was with us for 7 years, has decided to move on to work with her husband Kevin. We will all miss her but she will be continuing her work with anti- wrinkle treatment for us.

Receptionist **ALISON FEE** left the practice in September. Alison was with Stormont Dental Care from the beginning and her presence and smile will be missed. We wish her all the best for her future.

So that we can ensure all of our patients receive their examination on time we have been encouraging you to make your next 6 month check up when you are here. We are also sending out our examination reminders 1 month earlier.
