WHITE DENTAL BEAUTY IS THE BEST WAY TO ACHIEVE THAT BEAUTIFUL SMILE YOU HAVE ALWAYS DREAMT OF. ASK US TODAY ABOUT HOW WHITE DENTAL BEAUTY CAN ENHANCE YOU'RE SMILE AND GIVE YOU THE CONFIDENCE YOU DESERVE.

THE SAFEST AND MOST EFFECTIVE WAY TO ENHANCE YOUR SMILE IS THROUGH YOUR DENTIST

Tooth whitening is the safest and most cost effective way of enhancing the appearance of teeth. It is the most requested dental procedure of patients between the ages of 18-60 years of age. Most results will last a long time with good maintenance. Top ups can be used without fear of damaging the tooth.

Every smile is unique and therefore every treatment is customised to achieve the best possible results for you. These professional materials are designed for use under dental supervision as part of a professional treatment. Your dentist will advise the best and most effective treatment for you.

ATTENTION TO DETAIL

We care about what goes in. White Dental Beauty gels are carefully formulated to maintain a neutral pH, contain water to avoid dehydration of the teeth and include a desensitising agent to help eliminate sensitivity during recommended treatments. They are gently flavoured with a pleasant mint taste which leaves your mouth feeling fresh and clean.
